### CAMP MISSION

The camp accepts its covenanted responsibility to maintain and preserve the Christian principles held by the Southern people that led them to their decision to defend the right of constitutional self-government. We strive to educate ourselves first and then the public to a fuller and more complete understanding of the true history of the period of the War Between the States. We seek to preserve the memory and honor of the noble Confederate soldiers, sailors, public servants, and loyal citizens.

### CAMP MEMBERSHIP

Is available to all male (12 years or older) descendants of any veteran who served honorably in the Confederate military. Direct or collateral kinship to a qualifying veteran or civil servant must be documented for full membership. We offer genealogical assistance with documentation. For those who have not yet proven their kinship or just have an active interest in what we are doing, we offer camp membership through our auxiliary, The Knights and Ladies of the Golden Circle. Applicants must be 12 or older.

**WE CARE! PLEASE CALL GALE OR MIKE AND KEEP US NEWS-INFORMED ... if you or a family member is ill, has an emergency, health or family issue, a family death, or needs assistance.**

### FROM THE COMMANDER

ATTENTION TO ORDERS: Greetings and a happy new year to each and every one of our camp's members. We are once again facing a trying new year ahead of us. I hope and pray that it will be a safe and prosperous one for all and for our nation. Rest assured that what we are facing is not something that our ancestors in times past were immune from. History is replete with trials and tribulations for all generations. The civil war was an era in our history that in many ways infected our country in like fashion with this current pandemic of which we now face. This war that was thrust upon the states and its inhabitants infected every aspect of America's national fiber. The carnage from that epoch still resonates in our national fabric until this very day. I could list for many pages the direct and indirect symptoms that still linger upon each and every person in our realm. Some of the impacts were of beneficial nature to us in the form of inventions and such. This stands true for any era in which warfare requires human creative skills to achieve victory in battle. On the other hand there are untold negative effects from such unwise adventures. I myself am witness to this legacy of what a war fought long before my birth can have lingering reaches into the future. My ancestors were killed in battle during this war and as a direct result families were relegated into a life of poverty. And so too with my families' history. The first person in my family able to attend a university following this war was myself. How many ways might we consider how what we now face is similar to the problems we are now facing in our own day. After the civil war our nation too began to look for hope and it was found in a national religious fervor which began as people turned their gaze unto our creator. Pray that we do the same. Until our next muster. GOD Bless

*Confederately,*

## HAPPY 20<sup>th</sup> BIRTHDAY, CAMP DIXON

The camp was created by Gale Franklin Red, its present Adjutant, and became 20 years old on January 1, 2002 in Belleville IL. Its birth right, the charter (facsimile below), was signed by the initial eight members and has grown strong to 53 members worldwide. Camp Dixon carries a proud reputation and its heritage shines forth in its monthly meetings, memorials, living histories, Wreaths Across America, support to needy families, encampments and homecoming parades, JROTC awards, Lee-Jackson Balls, and dedication to its fallen veterans.

## OUR CHRISTMAS FAMILIES

After making contact with the President of the St. Vincent DePaul society in O'Fallon, Mr. Robert Dodson, we learned that two families needed assistance this Christmas. Gale and Sharon used the very generous donation given by a Camp Dixon member (who wishes to remain anonymous) to purchase Christmas dinner groceries and gifts which were presented to the families of Ketra Warren and Breann Barfield on Sunday, December 19.

Ketra Warren and children – Khloe (2), Justin (12), and Jayden (11)

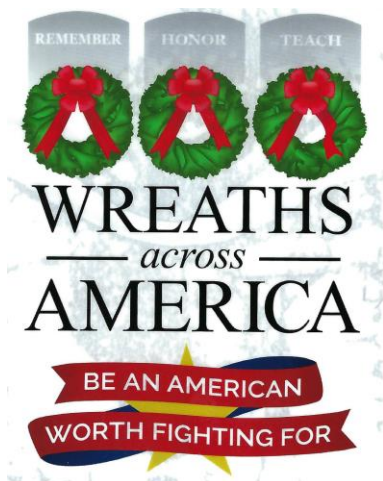

**THANK-YOU CARD FROM THE WARREN FAMILY** – Christmas ... a special day to remember those whose warmth and kindness have blessed our lives in so many ways. Christmas ... a special day to remember you.

From Ketra – Thank you very much for your extremely generous donations to me and my children. It's definitely appreciated and I can't thank you all enough. May God continue to bless you and yours. From Justin – Thank you for the gifts. From Jayden – Thank you for the donation. I hope you and your family have a great holiday. From little Khloe: Thanks a lot.

Gale & Breann Barfield. Her children are: Parker (6), Sophie (5), and Lincoln (1).

Wreaths Across America Day occurred on Saturday, December 18, 2021, and Camp Dixon commemorated the event by remembering, honoring, and teaching Americans to place Christmas wreaths on veterans' graves for the 8<sup>th</sup> year, compliments of the Maine Worchester Wreath Company.

First, the Alton Confederate Cemetery gate and monument in Alton IL received three large 3X5' wreaths. Greeted with a cold 30 degree overcast sky were Adjutant Gale and Lady Sharon Red, Compatriot Jack Sandford, Linda Mizell, President of the Martha Leah Turner Chapter 2692, United Daughters of the Confederacy, and the watchful eyes of Mr. Daryl Ryan from the VA.

The monument was erected by the UDC in honor of the 1,354 Confederate soldiers buried there.

Gale Red, Jack Sandford, Linda Mizell, & Sharon Red

No memorial service was given but the veterans were paid tribute at the gate by the following:

Jack Sandford recited the poem but also volunteered to be the monitor of the wreaths.

**In Memorial to the Veteran recited by Jack Sandford**

If we didn't give you honor while you were here to hear the praise  
Then at least let's give you homage at the ending of your days.

You didn't do much talking; you didn't ask for praise  
But a war really happened, so, thanks for the service that you gave.

You held no dreams of fortune vast nor sought undying fame  
You did not ask when life was past that many know your name.

Oh, gentle loving man, so humble in nature  
In your quiet little way you did your best to be kind with every gesture.  
Now, God looked around His garden and found an empty place.  
He then looked down upon the earth and saw this soldier's tired face.

He put His arms around you and lifted you to rest.

God's garden must be beautiful for He always takes the best.

He saw the road was getting rough and the hills were hard to climb.  
So, he closed this soldier's tired eyes and whispered, "Peace be thine."

It broke our hearts to lose you but you didn't go alone  
For part of us went with you and day God called you home.

(right photo) Linda Mizell is pointing to her Confederate ancestor, Ambrose Agee, her great-grandmother's nephew. Ambrose's parents were Samuel Agee & Nancy Queen Mooney.

### Prayer Recited by Linda Mizell

I said a prayer for you today  
and know God must have heard.  
I felt the answer in my heart  
although He spoke no word.  
I didn't ask for wealth or fame  
(I knew you wouldn't mind)  
I asked Him to send treasures  
of a far more lasting kind.  
I asked that He'd be near you  
at the start of each new day  
to grant you health and blessings  
and friends to share your way.  
I asked for happiness for you  
in all things great and small  
But it was for His loving care  
I prayed the most of all.

### Closing Hymn

**Sung By Jack Sandford,  
Linda Mizell,  
and Gale & Sharon Red**

Amazing grace! How sweet the sound  
That saved a wretch like me  
I once was lost, but now am found  
Was blind but now I see.

'Twas grace that taught my heart to fear  
And grace my fears relieved  
How precious did that grace appear  
The hour I first believed!

### A Tired Soldier Recited by Jack Sandford at the Smallpox Island Monument in Alton IL

God saw the soldier getting tired  
And a cure was not to be.  
So, He put His arms around him  
and whispered "Come with me."  
With tearful eyes we watched him suffer  
and saw him fading away.  
Although we loved him dearly  
we could not make him stay.  
A golden heart stopped beating;  
faithful hands were put to rest.  
God broke our hearts to prove to us  
He only takes the best.
